**YOU CAN HELP US
EXTEND THE LIFE OF
A CHILD OR ADULT
LUNG TRANSPLANT
RECIPIENT**

All profits raised from this event will support vital lung transplantation research at The Alfred Hospital.

The Alfred Hospital Lung Transplant Research Team is a world leader in optimising patient outcomes following lung transplants.

Right now, the average life for a lung transplant patient is **only seven years**.

The researchers at The Alfred are doing brilliant work. They are giving lung transplant patients and their carers new hope. That's why we, at the Lungitude Foundation, are doing what we can to raise funds for this critical work.

But we can't do much on our own. **We need your help.**

Will you please connect your name with ours as a valued sponsor for our **Lungitude Foundation Long Lazy Lunch** with renowned chef Victor Liong of Lee Ho Fook to be held on 2 June at Chapter House in Melbourne?

It is going to be a memorable event and we would love to have your business as a partner on the day.

There are different levels of sponsorship outlined within this pack so you can get involved to the level that best suits you and your business.

We receive no government funding so in becoming a sponsor you would be doing something truly worthwhile. **And we would be so grateful for your help.**

When a child or adult receives a lung transplant, the new lungs enables them to live an additional seven years, on average. We are doing all we can to extend this figure by providing funds for The Alfred Lung Transplant Research Team.

Whether you want to be a major or minor sponsor, you will be making a valuable contribution. Our main objective is to raise as much money as possible for the research that will give more years to lung transplant patients.

We are also looking for products or voucher donations for the silent and live auction that we will hold during the event.

By supporting The Alfred Lung Transplant Research Team we can increase the odds for people who receive a lung transplant.

Of course, your sponsorship will be acknowledged prior to and during our event. Please join with us and use your sponsorship dollars to help extend the life of lung transplant patients.

Kind Regards
